## Information About Free Tutoring

Dear Parent/Guardian,

**Your student may be eligible for free tutoring, if he/she is eligible for free or reduced lunches.**

Carefully review the Tutor Company Contact and Information Sheets in this booklet. They have information about the programs and phone numbers to call if you have questions about a company's tutoring program.

**We will also be holding Tutoring Fairs at a school near you.** You can come to the fair and meet people from the different tutoring companies. They will be glad to explain their programs to you. See the schedule on the next page for locations and dates. You can turn in applications at the tutoring fairs.

It is important for you to **carefully fill out the enclosed application.** Be sure to **list three choices of tutoring companies and sign the form.** Press hard when writing. Keep the pink copy!!

The address and phone numbers you put on the application are very important. Make sure they are correct so the tutor will be able to contact you.

A tutor should contact you before October 15th if your child is selected to receive free tutoring.

There is not enough money to pay for all eligible students. **Return your student's application to his/her teacher or bring it to the tutoring fair.**

Please call us at 850-595-6915, ext 233 if you need help with choosing a tutoring company or filling out the application. We are here to help you!

Thank you,
