II. COMMITTEE/DEPARTMENTAL REPORTS

2. Stellar Employee Recognition

The Superintendent made the following announcement: *It is my pleasure this evening to announce the Stellar Employee for the month of November is Arlene Vaughn. Arlene Vaughn is a stand-out employee at Brown Barge Middle School where she serves as the School Data Specialist. Her role is extensive, as the school accommodates Brown Barge Middle and the PATS Center, with each program serving more than five hundred (500) students. Mrs. Vaughn handles the heavy workload with grace. In spite of the demands of her job, Mrs. Vaughn never complains. She is always helpful, kind and thoughtful; and all that meet her find it a joy to be in her presence. Mrs. Vaughn is extremely capable in her duties and is always willing to teach others. Mrs. Vaughn is very enthusiastic about learning new things, especially when she has the opportunity to figure things out herself. Because she is one who thinks "outside the box," Mrs. Vaughn has created custom spreadsheets that have helped other secretaries with locating students. Mrs. Vaughn not only demonstrates excellent interpersonal skills with staff, but with parents and students as well. As an added bonus, she is a fabulous cook and enjoys sharing all kinds of goodies with staff. Mrs. Vaughn has been with the District*

nearly thirty (30) years, with twenty (20) of those years serving as a school bus driver. Thought she has only been at Brown Barge for one year, she carries the same sentiment to her current position as she had while driving buses – and that is “We are all extensions of s student’s family. Parents entrust them to us for their safety and education. This is an honor to be taken very seriously.” Arlene Vaughn exemplifies the pillars of service and people. Her dedication to her school, co-workers, parents, and students are stellar examples for all employees. This is why we are proud to call Arlene Vaughn our Stellar Employee for the month of November. The Superintendent and School Board congratulated Mrs. Vaughn for being chosen as the Stellar Employee for the month of November. Mrs. Vaughn received a plaque from the School District and a check in the amount of \$100 from Members First Credit Union.

3. Drug Awareness Contest Winners

The Superintendent made the following announcement: *Two years ago, the Escambia County School Board unveiled a drug comprehensive plan for the School District of Escambia County. The three critical components included prevention, enforcement and support. To garner student support, students were asked to submit a slogan that would be used county-wide that would portray how students in Escambia County feel about drugs. This year is no exception. Students and student groups in every middle and high school were asked to design and implement a new drug awareness message. It is my pleasure this evening to announce this year’s winners. For the poster design that will be displayed in all middle and high schools, the winners from West Florida High School are: Natalie Allgyer and Martha Johnson. For the winning video-clip of the drug free awareness message, the winners from Northview High School are: Ashton Gibbs, Misty Doran, Logan Weber, Ryan Lambert, Anna Donald and Winston Riley.*

4. Recognition of the Elementary Reading Coach of the Year

The Superintendent made the following announcement: *Every year, each school district is requested to nominate one reading coach from each level. The nominated reading coach is then required to submit detailed information regarding his or her educational history and professional learning activities as well as his or her reading coach philosophy. This information is submitted to the state level, where regional winners are chosen. Following the selection of regional winners, a state winner is chosen. It is my privilege this evening to introduce to you the 2012 State winner of the Elementary Reading Coach of the Year, Ms. Lisa Hale. Ms. Hale presently works at Navy Point and Warrington elementary schools where she daily demonstrates the superior ability to foster excellence in education. Ms. Hale not only displays exemplary interpersonal skills in communicating with teachers, students, parents, and community members, but actively participates in peer coaching and mentoring activities as well. Ms. Hale is a dedicated leader and is Escambia County’s first literacy winner at the state-level. The Superintendent and School Board congratulated Ms. Hale on being named Florida’s 2012 Elementary Reading Coach of the Year.*
