INVOCATION AND PLEDGE OF ALLEGIANCE

Mr. Bergosh welcomed everyone in attendance to the regular monthly meeting of the Escambia County School Board. He then introduced Mr. David Joiner, who had been employed with the School District for over ten (10) years as a dean and a crisis counselor. Mr. Bergosh mentioned that Mr. Joyner had worked at Navy Point Elementary, Bellview Middle, and C.A. Weis Elementary and that he currently served as the chaplain for the University of West Florida's baseball team. Mr. Joyner delivered the invocation. Mr. Bergosh also introduced sisters Aralyn and Felicity Eaton. He mentioned that Aralyn was currently in the second grade and Felicity was currently attending pre-k. He also mentioned that both sisters had recently earned roles in Pensacola Little Theatre's production of *Mr. Toad's Mad Adventure*. Aralyn and Felicity led the Pledge of Allegiance to the Flag of the United States of America. Mr. Bergosh then called for a "moment of silence" in remembrance of the victims of the tornadoes that struck Moore, Oklahoma on May 20, 2013.

PUBLIC FORUM

(Supplementary Minute Book, Exhibit "A")

Mr. Bergosh called for Public Forum at 5:34 p.m. He invited anyone who wished to speak in Public Forum or to an item on the agenda, to fill out the appropriate form and turn it in at the front of the room.

- James Nims, Jr., speaking as an individual, addressed the School Board regarding the proper care and handling of the American Flag (Mr. Nims also provided School Board Members and the Superintendent with a handout on this topic). Mr. Nims said he appreciated that the Superintendent had made what he believed to be a sincere effort to keep the American Flag respectful and dignified. Mr. Nims also addressed the following topics: (1) burglary and vandalism of area schools; and (2) efforts to reduce student expulsions.

I. CALL TO ORDER/ADOPTION OF AGENDA

Mr. Bergosh called the Regular Meeting to order at 5:38 p.m. The Superintendent noted the following changes that had been made to the agenda since initial publication and prior to this meeting: Item III.B.1 AMENDED, Item III.B.2 DELETED, Item V.B.15 DELETED, Item V.C.1.g.12 AMENDED, Item V.C.1.g.13 AMENDED, Item V.D.15 DELETED, Item VII.A.2 ADDED, Item VII.B.1.9 AMENDED, Item VII.B.9 ADDED, CORRECTED, and AMENDED, and Item VII.C.1 CORRECTED. Mr. Bergosh asked if all School Board Members had ample opportunity to review the changes and whether they were comfortable moving forward with the agenda as amended. Mr. Bergosh advised that Section 120.525(2), Florida Statutes and School Board Rule 1.06(5) required that changes made to an agenda after publication be based on a finding of good cause, stated in the record, and affirmed by a vote of the School Board. Mr. Bergosh called for a motion stating that the Superintendent's recommended changes to the May 21, 2013 Regular Meeting agenda had been made for good cause. Motion was

made by Mr. Slayton, seconded by Mr. Boone, to that effect. Motion carried unanimously. Mr. Bergosh called for a motion to adopt the agenda (*as amended*). Motion was made by Mrs. Moultrie and seconded by Mr. Boone, to adopt the agenda (*as amended*). Mrs. Hightower recalled that there was a change that the School Board needed to make to the order of the agenda prior to its adoption. Mr. Bergosh said it was his intent to move Section VI, Unfinished Business forward on the agenda so that it would be handled immediately after Section IV, Approval of Minutes. He asked if any School Board Member had any objection to that change. There was no objection from any School Board Member. Motion to adopt the agenda (*as amended*) carried unanimously.

II. COMMITTEE/DEPARTMENTAL REPORTS

1. PTA Presentation

Ms. Deana Neal, outgoing President of the Escambia County Council PTA (ECCPTA) introduced the ECCPTA's newly elected President for 2013-2014, Mrs. Sally Bergosh. Mrs. Bergosh gave a brief report on the recent and upcoming events and activities of the PTA.

2. Stellar Employee of the Year Recognition

The Superintendent made the following announcement: *It is my pleasure this evening to announce the Stellar Employee of the Year – Edwin Stewart. Mr. Stewart currently is employed in Transportation Maintenance and has been with the District for twenty (20) years. If there were only one word to describe Mr. Stewart, it would be “selfless.” From his days of service as a Waist and Tail Gunner on B-17's and B-24's in World War II and Korea, to his continuing contributions to a number of service and charitable organizations in our community, Mr. Stewart is a generous, yet humble servant. Mr. Stewart has carried this same spirit of service into his work in the District's Transportation Department, where he has proven himself to be an exemplary professional in all respects. Mr. Stewart fuels hundreds of school busses and other District vehicles at the Woodham fuel site every week. Once he completes his work at the fuel site, Mr. Stewart returns to the Department's main garage where he assists with parts pick-up, bus deliveries, and a host of other duties. Mr. Stewart is entirely reliable, consistent, and cheerful in the performance of his official duties. Mr. Stewart is also valuable to the District in the “little” things he does along the way. At the fuel site, Mr. Stewart often takes the initiative to buy coffee and snacks for “his drivers” and helps them solve on-the-job issues. Mr. Stewart strives to keep the work environment a friendly and helpful place. Mr. Stewart's sense of teamwork is instrumental in helping make this District a place where employees want to work. His lifetime of loving care and service is an enduring example of how people should live, work, and interact with others. Mr. Stewart is a dedicated and conscientious man who, at a youthful eighty eight (88) years of age, has been – and remains – a wonderful, energetic and reliable role model for us all. Exemplifying the pillars of service and people, Mr. Stewart is an invaluable asset to the Transportation Department and the Escambia County School District. It is for these reasons that we are proud to call him our Stellar Employee for the 2012-2013 school year. The Superintendent and School Board congratulated Mr. Stewart for being chosen as the Stellar Employee of the Year. Mr. Stewart received a plaque from the School District and a check in the amount of \$500 from Members First Credit Union which was presented by Ms. Caryl Greene, CEO.*

3. Recognition of the Escambia County All-Star Academic Team

The Superintendent made the following announcement: *Once again, Escambia County has demonstrated its talented academic abilities against other all-star academic teams from throughout the State of Florida. On April 18th through the 20th, the Escambia County All-Star Academic Team attended the Commissioner's Academic Challenge in Orlando. The Commissioner's Academic Challenge is a highly-competitive academic statewide high school tournament that tests students' knowledge in a wide variety of areas including language arts, mathematics, science, history, geography, art, music, and foreign language. Escambia currently competes in Division One, which is comprised of the twenty largest school districts in the State. Escambia County has earned six State titles, more than any other district in Division One. First places finishes came in 2000, 2002, 2003, 2006, 2010, and 2011. Escambia County finished in second place in 2007, 2012, and now in 2013. The All-Star Academic Team is composed of the top six high school “Quiz Bowl” players in our District. For the great majority of the past twelve years, Escambia County's All-Star Academic Team has originated from Pensacola High School's IB Program. And this year is no different as all members are once again from Pensacola High School's IB Program. This year's winning team includes: Matt Peteranecz,*

Hannibal Brooks, Malcolm Brooks, Caroline Fleischhauer, Nathan Deng, and Preston Jones. None of these successes could have been achieved without the dedicated efforts of team coaches Allan Robinson and Jonathan Thompson. These two gentlemen have played a tremendous part as they have invested much of their time and energy year after year to ensure this District has a competitive team. Congratulations! This District is proud of the record of accomplishments in this academic competition. The Superintendent and School Board congratulated the Escambia County All-Star Academic Team on their accomplishments.

Mr. Bergosh noted that the School Board had agreed during the May 17, 2013 Regular Workshop, to schedule a Special Meeting (June 10, 2013, 5:30 p.m., Room 160, Hall Center) for the purpose of addressing the Rights and Responsibilities Handbook. Since that time however, Mr. Bergosh said there had been some discussion about changing the meeting date and/or time so he felt it was appropriate for the School Board to discuss the matter at this meeting. Upon inquiry by Mrs. Hightower, Mrs. Waters confirmed that a motion would be necessary in order to begin a discussion as there could be no debate until there was a motion on the floor. She said it would be appropriate for a School Board Member to make a motion to set the Special Meeting at the date and time that previously suggested; that motion could then be discussed and amended if necessary. Mr. Bergosh moved that the School Board set a Special Meeting for June 10, 2013, beginning at 5:30 p.m. as was previously discussed at the May 17th Regular Workshop. Motion was seconded by Mrs. Moultrie for discussion purposes. Mr. Slayton apologized to his fellow School Board Members but said that he had not realized at the time the Special Meeting was initially scheduled, that he had two other meetings already scheduled for 6:00 p.m. and 7:00 p.m. on that same date. Being that he really needed to attend those two other meetings, Mr. Slayton asked that School Board Members reject the motion on the floor and follow-up with another motion to schedule the Special Meeting for another date and/or time. Mr. Bergosh pointed out that the School Board had originally set the date and time (June 10th at 5:30 p.m.) of the Special Meeting based upon the availability of the general public to be able to attend. He noted that the School Board obviously could have set the meeting for earlier in the day but had chosen to set it for late afternoon (5:30 p.m.) to afford the largest opportunity for the public to be able to attend including those parents who had to work until 5:00 p.m. or later. Mr. Slayton said that looking at the calendar and listening to the last discussion, the only other possible dates were Wednesday, June 5th and Friday, June 7th because there were already two events on the School Board calendar for Thursday, June 6th (i.e., budget meeting and Take Stock in Children graduation). Mr. Bergosh suggested backing up the Special Meeting on June 10th to 5:00 p.m. (instead of 5:30 p.m.) as he believed that would still afford the majority of parents an opportunity to attend. Upon inquiry by Mr. Bergosh, Mr. Slayton said that backing up the time to 5:00 p.m. would not help him because he would still have to leave early due to his other meeting at 6:00 p.m. Mrs. Hightower did not believe that Friday, June 7th was a good option because most people would not turn out for a School Board Meeting held on a Friday evening. The Superintendent agreed that Friday would be a challenging day anyway but believed that Friday, June 7th would be even more challenging because it was the first Friday that school had been released for the summer. Mr. Slayton noted that the only other choice was Wednesday, June 5th but Mr. Bergosh pointed out that Wednesdays meant church attendance for a large majority of people. Mr. Slayton asked his fellow School Board Members how they felt about having the Special Meeting on Wednesday, June 5th. Each of the School Board Members said they would be available on June 5th, but Mrs. Hightower pointed out that she would only be available until 7:30 p.m. Mr. Slayton offered an amendment to the motion on the floor that the School Board meet to discuss the Rights and Responsibilities Handbook on June 5, 2013 beginning at 4:30 p.m. Mr. Bergosh said he would second Mr. Slayton's amendment for discussion purposes. Mr. Slayton noted that the location of the meeting would be Room 160, at the J.E. Hall Educational Services Center, if available. Upon inquiry by Mr. Bergosh, Mrs. Waters said that after the May 17th Regular Workshop she had gone through Robert's Rules of Order and had determined that in order to facilitate an open exchange between School Board Members and members of the public, the School Board would need to first meet in a special workshop session and then upon adjournment of that session, they could convene a special meeting session at which time they could take a vote on the Rights and Responsibilities Handbook. She said the process would be similar to the format of the School Board's executive sessions in which the School Board conducted a bifurcated meeting whereby they first workshopped an issue so that they could get an idea of what it is that they wanted to do and then entered into a special meeting where they could take a vote on the matter. Upon inquiry by Mr. Bergosh, Mrs. Waters clarified that during the special workshop session School Board Members could make suggestions for changes to the Rights and Responsibilities Handbook verbiage and then vote on those changes at the special meeting session that would immediately follow. Upon inquiry by Mr. Bergosh, Mrs. Waters advised that the special meeting session could simply be advertised to begin immediately following the adjournment of the special workshop session. Mrs. Hightower wanted to know how the public would

interact with the School Board during the special workshop. Mrs. Waters advised that School Board Rule 1.12 specified that even at a workshop, members of the public could speak during the Public Forum portion of the session for two (2) minutes. She said the School Board could always vote to suspend that rule for the special workshop if they so desired. She clarified that the main reason for her suggestion that the School Board conduct a special workshop followed by a special meeting was because Robert's Rules of Order stated that each member (School Board Member) could only have two (2) opportunities to participate in debate of an issue during a special meeting. Because members may need more than two (2) opportunities to debate all the issues related to the Rights and Responsibilities Handbook she believed it would be more appropriate to do so in a special workshop instead of a special meeting. Mr. Bergosh asked his fellow School Board Members if they had any objections to the format that Mrs. Waters had outlined with regard to a special workshop session followed immediately by a special meeting session. Upon inquiry by Mrs. Hightower, the Superintendent said that backup documentation would be accessible via the e-agenda for the Special Meeting just as soon the School Board decided on a date and time for that session and the appropriate notice had been published in the local newspaper. Mr. Bergosh called for the vote on Mr. Slayton's amendment to the motion on the floor that the School Board meet to discuss the Rights and Responsibilities Handbook on June 5, 2013 beginning at 4:30 p.m. Mr. Slayton's amendment was approved unanimously. Mrs. Waters reminded School Board Members that the main motion was to decide whether or not they wanted to have a workshop session on June 5, 2013, beginning at 4:30 p.m. Upon inquiry by Mr. Bergosh, Mrs. Waters advised that the main motion was open for discussion. Mr. Bergosh noted that at the May 17th Regular Workshop, he had expressed his concerns with the verbiage in a specific section of the Rights and Responsibilities Handbook (Chapter 7: Safe Schools, Section D, *Law Enforcement*); he noted that these were the same concerns that he had expressed on multiple occasions over the past several years. At that time, he said he was asked by a fellow School Board Member to submit his proposed verbiage changes for the School Board to review and consider. Mr. Bergosh proceeded to pass out copies of his proposed verbiage to School Board Members and the Superintendent. He said he would not go into great detail but would simply point out that there were three options outlined in the information he had provided. Mr. Slayton wanted to know if Mr. Bergosh's proposed verbiage could be discussed since it was not on the agenda. Mrs. Waters pointed out that the School Board would be voting on whether to have a workshop to address the Rights and Responsibilities Handbook and this was part of why Mr. Bergosh felt that it needed to be addressed in a workshop session. Mrs. Hightower pointed out that the motion on the floor was only about whether or not to have the meeting. Mrs. Waters reiterated that Mr. Bergosh was simply trying to give his fellow School Board Members reasons why he believed that they needed to have a workshop session. Mr. Bergosh said he was simply trying to answer a question that he was asked at the May 17th Regular Workshop and that he had confirmed with Mrs. Waters that it was appropriate for him to address it at this time during this open meeting. Mr. Bergosh proceeded to explain that [Option I](#) from the Illinois Council of School Attorneys was his preferred option, [Option II](#) from the School Board of Santa Rosa County, Florida was his second favorite option, and [Option III](#) from a school district in Farmington, Michigan, was essentially a compromise of the other two options. Upon inquiry by Mrs. Hightower, Mrs. Waters confirmed that it would be appropriate for the Superintendent to communicate Mr. Bergosh's proposals to staff. The Superintendent said that he planned to forward the proposals to the Rights and Responsibilities Handbook Committee. He asked that if any other School Board Member had any language suggestions that they provide those suggestions to him ahead of time so that he could forward the information to the Committee so that they would have an opportunity to consider it prior to the meeting. Mrs. Moultrie said that she was in the process of producing verbiage for the portion that she had concerns with and she would forward that verbiage to the Superintendent as soon as she completed it. Mrs. Hightower said that she would communicate her suggestions to the Superintendent and Mrs. Spooner. Mrs. Waters reminded the School Board Members that they were about to vote on the amended motion. The amended motion carried unanimously.
