2. Stellar Employee of the Month

The Superintendent made the following announcement: *It is my pleasure to announce this evening that the Stellar Employee for the month of October is Mr. John Norman. Mr. Norman has been employed with the Escambia County School District for over 30 years; however, he’s in his first year as the Head Custodian at Lincoln Park Elementary School. The staff at Lincoln Park will be quick to tell you that Mr. Norman is hard working and he embodies what our District is all about. He stepped foot on the campus for the first time this summer and because Lincoln Park was going to be a host for summer school, he felt pressed for time to get the building in perfect condition and shape before the students returned. One such effort was backbreaking work as he stripped layers of wax that had been built up over time to reveal that the school actually had white floors and not beige! The staff share they all strive to make their school a place where everyone wants to work and a place where our students want to learn; but Mr. Norman has single handedly transformed Lincoln Park into a sparkling place. Windows that are located 12 feet above the floor are now shining. Everyone’s faces on campus are shining as well because Mr. Norman is always so willing to help and has such a great pleasant personality. He’ll drop whatever he is doing to assist anyone who needs his help. He’s willing to stay late after parent functions to make sure that the school ready for students the next morning and he’ll come in on the weekend if the need arises. For over 30 years, Mr. Norman has dedicated his life to making our schools a pleasant place for our students, teachers, parents and staff. You never see him without a smile and his smile is very contagious. He takes pride in his work and he believes that exemplifies what he does as he puts forth his best effort. Mr. Norman is our stellar employee because of his excellent work ethic and his dedication to the staff at Lincoln Park Elementary School. He exemplifies the pillars of “people” and “service” and it is for these reasons, and for so many others, that Mr. Norman has been selected as our Stellar Employee for the month of October. In recognition of his stellar performance, Mr. Freeman received a plaque from the School District and a check in the amount of $100 from Members First Credit Union.*

This recognition is determined by submission of the Florida Healthy District Self-Assessment and a score rating at the bronze, silver or gold level. The Superintendent made the following announcement: *Our energy management program was initiated in January 2006. Now in the 11th year of our program, we have avoided over $39 million in utility costs. Even with the addition of numerous district wide capital improvements and three new schools, we still have managed to reduce our energy consumption by over 1.2 million MMBtus. This program has been very successful. The energy program success has been driven not only by the efforts of our Energy Management, Maintenance and Facilities Planning departments, but also the faculties and students at all of our campuses. This is the fourth year of our energy incentive program.*
