I. CALL TO ORDER

Mr. Slayton called the Regular Workshop to order at 9:00 a.m.

Installation Ceremony & Organizational Meeting

(NOTE: This matter was previously discussed at the August 11, 2016 Special Workshop.) It was noted that the Installation Ceremony & Organizational Meeting had been tentatively scheduled for November 15th, beginning at 5:00 p.m., with the November Regular Meeting to follow at 5:30 p.m. There was much discussion on this matter, but ultimately it was decided that the November Regular Meeting would remain as scheduled for November 15th, beginning at 5:30 p.m. but the Installation Ceremony & Organizational Meeting would be moved to November 28th, beginning at 5:30 p.m.

II. COMMENTS FROM THE SUPERINTENDENT

The Superintendent commented on the successful start to a new school year. He commended the Human Resource Services department on their summer recruiting efforts, noting that 347 teachers had been hired since the end of the last school year and 97% of classes were staffed on the first day of school.

The Superintendent listed the changes that had been made to the August 16, 2016 Regular Meeting agenda since initial publication and prior to this session.

There were no questions or concerns related to this item, which was to advertise amendments to Section 3.02, Office of School Choice and Section 3.20, Random Drug Testing of Students. Mr. Bergosh did, however, pose a question related to Section 3.17, Booster Clubs and PTAs.

      E. The Superintendent, with the input of interested parties, shall develop and submit for Board approval guidelines for the operation including minimum operating and reporting requirements of booster clubs and PTAs and shall publish the guidelines in a manual entitled “Outside Support Organizations.”

Mr. Bergosh noted that Section 3.17 referenced a manual (entitled “Outside Support Organizations”) that would be developed by the Superintendent, with the input of interested parties. Upon inquiry by Mr. Bergosh, the Superintendent confirmed that the School Board would have an opportunity to review and offer input on that manual before it was published. The Superintendent said he intended for the committee that worked on that manual to present to the School Board during a Special “Open Discussion” Workshop in either September or October.

Mr. Slayton suggested that it might be helpful to have the School District’s Public Relations Coordinator to reach out to the various media outlets and see if they were interested in doing an article about dual enrollment opportunities.

         Upon inquiry by Mrs. Hightower, the Superintendent confirmed that the verbiage outlined in Item V.b.3.A.7.a. was taken directly from state statute; and the Department of Education (DOE) had advised that school boards must approve the verbiage before School Districts could receive the funding for qualifying teachers. The Superintendent said that an email notification had been sent to all teachers in the School District to make them aware of this opportunity and to inform them of the criteria for qualification and the deadline for submissions.
