VI. NEW BUSINESS
a. PROPOSED ADDITIONS OR REVISIONS TO SCHOOL DISTRICT RULES
   2. Permission to Advertise
      A. Approval to Advertise Notice of Intent to Adopt Amendments to Rules and Procedures of the
         District School Board: Chapter 2, Human Resource Services

         It was noted that Chapter 2 was previously approved for advertisement at the July 17, 2018
         Regular Meeting. Due to an error in the Notice of Intent, the subsequent advertisement of public
         hearing published in the Pensacola News Journal referenced the wrong policy section. As such,
         it was necessary to request that the School Board approve an updated Notice of Intent,
         referencing the correct policy section and advertising a public hearing for October.

      1. Agreement Between the School Board of Escambia County, Florida and United States
         Baseball Federation, Inc.

         Mrs. Hansen noticed that the Fun at Bat program provided among other things, an
         emphasis on character development; since a number of other existing programs also focus on
         character development, she wanted to make sure that all would be teaching the same
         attributes. Ms. Casandra Waller, Specialist- Physical Education, Health, Wellness, Drivers
         Education, clarified that this was more a supplemental, rather than comprehensive program
         that would help support the responsible behavior and values brand in physical education.
