I. CALL TO ORDER

Mrs. Hightower welcomed everyone in attendance as well as those watching via live streaming and thanked them for their interest in public education. Mrs. Hightower reminded those who wished to speak at Public Forum or to a specific agenda item they would need to submit a speaker request form. She called the Regular Meeting to order at 5:30 p.m.

a. Invocation and Pledge of Allegiance

(Note: It is the tradition of the Escambia County School Board to begin their business meeting with an invocation or motivational moment followed by the Pledge of Allegiance.) Mr. Slayton asked everyone to join in a moment of silent appreciation for the completion of safe and successful school year and prayers for safety and success in the upcoming school year. Mr. Slayton then led the Pledge of Allegiance to the Flag of the United States of America.

b. Adoption of Agenda

The Superintendent listed all changes made to the agenda since initial publication. Mrs. Hightower advised that Florida Statutes and School Board Rule require that changes made to an agenda after publication be based on a finding of good cause, as determined by the person designated to preside over the meeting, and stated in the record. Mrs. Hightower said she, as School Board Chair, had determined that the Superintendent’s recommended changes to the June 18, 2019 Regular Meeting agenda were for good cause. Motion by Mr. Slayton, seconded by Mr. Adams, to adopt the agenda as amended, carried unanimously.

c. Committee/Departmental Reports

1. PTA Presentation

A report on the recent and upcoming events of the Escambia County Council PTA (ECCPTA) was provided by Tori Woods.
2. Capturing Kids’ Hearts National Showcase School

The Superintendent made the following announcement: *Pine Forest High School has received a Capturing Kids’ Hearts National Showcase Schools™ Award for the 2018-2019 school year from the Flippen Group. The District began a partnership with Capturing Kids’ Hearts in 2012. To date, 24 total school faculties have completed the training and are implementing Capturing Kids’ Hearts.* Four years ago, Pine Forest High School began an initiative to transform the campus into an emotionally safe and relationally connected place for students, staff, and parents. After researching programs used by some of the nation’s most successful schools, Pine Forest High School leaders chose to join hands with the Flippen Group to bring Capturing Kids’ Hearts® to its campus. Teachers and staff learned processes to increase students’ relationships with both peers and adults on campus. They learned how to create a classroom environment where students are excited to enter and learn every day. As a result of implementing Capturing Kids’ Hearts®, Pine Forest High School has experienced an increase in student achievement, student engagement, and graduation rate. The graduation rate increased from 71% to 82% in just three years. In addition, the school continues to see a decline in office referrals, out of school suspensions, and bullying reports. Capturing Kids’ Hearts® campuses across the country were considered for these awards based on the following criteria: 1) nomination based on observation by Flippen Group personnel, 2) level of implementation of Capturing Kids’ Hearts processes by all staff as measured by online surveys, and 3) data demonstrating that Capturing Kids’ Hearts has made a significant improvement in attendance, discipline, climate/culture, or academics. Pine Forest High School was selected as a Capturing Kids’ Hearts National Showcase Schools Award for the 2018-2019 school year from the Flippen Group. They are the only high school in Florida to receive this distinction.

   2. Permission to Advertise
      A. Approval to Advertise Notice of Intent to Adopt Amendments to Rules and Procedures of the District School Board: Chapter 2 – Human Resource Services

      Motion was made by Mr. Adams and seconded by Mr. Fetsko, to advertise amendments to Rules and Procedures of the District School Board: Chapter 2 – Human Resource Services. Mr. Slayton reiterated concerns expressed at the June 17, 2019 Regular Workshop concerning the verbiage outlined in 2.04, Recruitment and Selection of Personnel, (12) Additional Requirements:

         E. All individuals employed by Escambia County School District will be issued an employee ID badge bearing a photo of the employee that shall be worn and visible at all times while at work in order to promote a safe learning and working environment. The employee photo will also be utilized in the School District’s employee management system and email system as part of the School District’s security protocol to protect the safety and well-being of students and staff.

      Mr. Slayton clarified that he was not opposed to employees being required to wear an employee ID badge however, he did not think enough information was being provided to employees through this policy, in terms of what options were considered as being “worn and visible” manner. The Superintendent agreed that the phrase “worn and visible” was somewhat ambiguous, so if this policy was adopted by the School Board, he intended to prepare a communication to all employees, most likely via email, to inform them of the policy adoption, to provide clarity in terms of the variations in how an employee ID badge could be “worn and visible” (i.e., breakaway lanyard, clip or magnetic badge, armband), and to encourage employees to consult with their immediate supervisor to determine if any deviation from the variations that were listed would be considered appropriate. The Superintendent was to share that communication with the School Board at the workshop prior to the August Regular Meeting when the School Board would be asked to adopt this policy. Motion carried unanimously.
