V. COMMITTEE/DEPARTMENTAL REPORTS

CORRECT -Charter School Quarterly Report

Ms. Vicki Mathis, Director-Alternative Education, September Charter School Quarterly Report, confirmed there were no charter schools currently under a progress-monitoring plan. In response to questions posed by individual School Board Members, Ms. Mathis provided the following information:

-Given that this was the first quarterly report of a new school year, there were not enough financial statements to conduct a financial analysis; however, after the 8-day count, if enrollment had increased/decreased by 5% or more, a charter school’s monthly payment would be recalculated.

-Contract Obligation 5 – FTE Recalculation after 8 day Count (5% +/-) – Both Capstone and Byrneville were recalculated due to a reduction in enrollment.

-Contract Obligation 13 – Board Approval of Out-of-Field Teachers – Given that Jackie Harris did not have any out-of-field teachers, this particular obligation was not applicable.

-Contact Obligation 15 – Employee Fingerprinting/Background Check – Given that Pensacola Beach did not have any new employees, this particular obligation was not applicable.

Mrs. Celestine Lewis, principal of Jackie Harris Preparatory Academy (JHPA) and Mr. Alexander, Board Chair, were present to respond to any questions or concerns from School Board Members regarding JHPA’s 15-year charter renewal contract (see: Item V.b.1.A.3., Contract Renewal Between the School Board of Escambia County, Florida and New Road to Learning, Inc.
