Organizational Structure of School Board Officers in November – Slayton

Mr. Slayton noted that the School Board would select a new Chair and Vice Chair at their annual Organizational Meeting in November. Given that the current Chair for 2018-2019, Mrs. Hightower, had
led Escambia County’s transition to appointed superintendent thus far, he suggested that if she was willing, the School Board should consider reselecting her to continue as Chair for 2019-2020. Mrs. Hightower confirmed her willingness to continue to serve as Chair should that be the pleasure of the School Board. There was no objection from any Board Member regarding Mr. Slayton’s suggestion. Final decision would be made by formal vote at the November Organizational Meeting.

**Update on Campus Security – Hightower**

At the request of Mrs. Hightower, the Superintendent and his staff gave a brief update on campus security. The Superintendent prefaced the update by confirming that the School District, with assistance from both the Escambia County Sheriff’s Office and Pensacola Police Department, had met the state’s requirement to provide bell-to-bell security coverage at 100% of its schools, including charter schools.

- **Legislative Update – Adams**

  Mr. Adams provided a brief update on the platform proposals he had discussed with the School Board during the June 17, 2019 Regular Workshop and subsequently submitted to the Florida School Board’s Association (FSBA) for consideration for the 2020 FSBA Legislative Platform:

  (Status: Forwarded to Staff) Proposal: Keeping Students Safe – Provide students, education professionals, volunteers, and parents with safe learning environments by: Providing school districts with funding support for compliance with a realistic, practical, and cost-conscious criterion regarding hazardous walking conditions while also providing them flexibility in choosing the extent to which they provide transportation service around those options.

  (Status: Forwarded to Legislative Committee) Proposal: Public Student Equity – Elimination of EOC counting as “30 percent of a student’s final course grade.”

- **Naming of New West Side Elementary School - Superintendent**

  The Superintendent advised that the School District was nearing the start of design work for the new West Side Elementary to be located off of Sorrento Road. Given that once constructed, this new West Side Elementary site would essentially become the replacement for the current Pleasant Grove Elementary, the Superintendent questioned whether the School Board would entertain the idea simply transferring the name Pleasant Grove to the new West Side Elementary or would they prefer to initiate the process of advertising and selecting an entirely new name. There was no objection expressed by any Board Member regarding the name transfer.

- **Strategic Plan Discussion – Superintendent**

  The chair of each strategic plan committee took a moment to briefly review the existing strategic plan goals: Quality Pillar – chaired by Ms. Lesa Morgan, Director-High School Education; Environment Pillar – chaired by Ms. Jaleena Davis, Director-Food Services; Finance Pillar – chaired by Ms. Allison Watson, Senior Purchasing Agent; People Pillar – chaired by Ms. Elizabeth Oakes, Director-Employee Services; and Service Pillar – chaired by Brian Alaback, Director-Professional Learning. The Superintendent said the purpose of this review was just to remind School Board Members of existing strategic plan and to provide an opportunity for feedback prior to the committee meetings. It was noted that committee meeting would begin in September and would be advertised appropriately so that School Board Members could attend. An updated Strategic Plan would be reviewed with the School Board, most likely in October at the School Board’s monthly special “open discussion” workshop.

II. **PUBLIC FORUM**

- No registration forms submitted

III. **ADJOURNMENT DISCUSSION ON APPOINTED SUPERINTENDENT PROCESS**
