12. Annual Agreement Renewal: District-Wide Roofing Maintenance, Repair and Replacement Services

Terms and conditions of the agreement will remain the same as the original agreement. There is no guaranteed dollar amount associated with the agreement. Amount of Purchase: As-Needed

Upon inquiry by Mr. Fetsko, Mr. Shawn Dennis, Assistant Superintendent-Operations clarified that this agreement for district-wide roofing maintenance, repair and repair services would be utilized on an “as-needed” basis, and although there was no not-to-exceed amount specified, the use of these services would be restricted by the budgetary limitations of the recurring roof replacement/roof repair line item in the Half Cent Sales Tax budget.

Description of Purchase: Request authorization to issue Change Notice #1 (CO#1) to Purchase Order #5421900203 to increase contract amount to add Alternate No. 1 (Building 3 Scope of Work), $264,000.00 (Owner’s Request); add Alternate No. 3 (Building 4 Scope of Work), $285,000.00 (Owner’s Request); and add Alternate No. 5 (Cafetorium Wall Panel System), $79,000.00 (Owner’s Request). Upon inquiry by Mr. Fetsko, Mr. Anthony Noles, Director-Facilities Planning, explained that the Brown-Barge Middle School campus was comprised of a number of buildings. During the original bid process each of those buildings was set up as an alternate so that as additional funding was available those alternates could be added into the contract. VIII. DISCUSSION ON APPOIN TED SUPERINTENDENT PROCESS

   - Rescheduling Florida School Boards Association (FSBA) Superintendent Search Team Visit - As mentioned during the August 15, 2019 Special Workshop, the School Board would be requesting September 19/September 20 as possible dates for rescheduling the FSBA Superintendent Search Team’s visit that was originally scheduled for this August 16 session.

   - Community Input Sessions (Community Forums/Town Hall) – It was noted that the School Board would need to determine the number of Community Input Sessions. It was suggested that the location of those sessions be spread out geographically to the north, west, and east areas of the county. The scheduling of the Community Input Sessions was to be discussed with the FSBA Search Team during their next visit. Dr. Edler mentioned that in addition to these Community Input Sessions, she also intended to hold “open discussion” sessions at several of the churches located within her District 3 community.

   - Online Survey - Due to the Labor Day holiday on Monday, September 2, the Superintendent Search Timeline had been adjusted such that a press release would be issued on Tuesday, September 3 announcing the opening of the Superintendent Search Portal and the release of the online survey. Dr. Edler suggested adding a counter to indicate the number of visitors (or hits) that the Superintendent Search Portal had received.

   - Superintendent Search Timeline and Portal Updates – Mrs. Hightower confirmed that the School Board Office was responsible for updating the Superintendent Search Timeline as necessary and posting the latest news and documents to the Superintendent Search Portal.

   - Composition of Citizens Advisory Committee – There was some discussion regarding the composition of the Citizens Advisory Committee. Mrs. Hightower relayed that the FSBA search team had suggested three appointees from each School Board Member, plus three additional appointments from the School Board as a whole. The Superintendent had suggested four appointees from each School Board Member, with at least one of the four having a background in education. Discussion ensued but no determination was made. This matter and other matters related to the Citizens Advisory Committee were to be discussed with the FSBA Search Team during their next visit.

   - Superintendent Search Brochure – There was mention of including various photos in the Superintendent Search Brochure including photos of students engaged in school activities and photos of the U.S. Navy Blue Angels performing over Pensacola Beach. Mrs. Hightower asked School Board Members to consider whether
the Superintendent Search Brochure actually needed to be printed or could be published in electronic format only. There was mention that perhaps the Superintendent Search Brochure could be structured in such a way that it could also be used as a marketing tool to be distributed at various school and community events to highlight the good things happening in Escambia County public schools.
