[General discussion among School Board Members, the Superintendent, and staff occurred throughout this session.]

I. CALL TO ORDER
Mrs. Hightower called the Regular Workshop to order at 9:00 a.m.

Superintendent Hiring Survey – Mrs. Hightower clarified that although a recent online survey circulating on social media appeared to be an initiative of the School District, it was not created by or created at the request of the School Board, nor was it sent by or sent at the request of the School Board.

II. DISCUSSION
- Calendar
Reviewed calendar (dates July 20, 2020 through September 15, 2020); no changes.

- Student Absenteeism in this COVID World - Hightower
The Superintendent responded to inquiries by Mrs. Hightower regarding how the School District would handle student absenteeism during the upcoming school year when absence(s) were associated with ‘suspected’ exposure to COVID-19. In short, the Superintendent said that in such circumstances, the School District would consult with health professionals concerning appropriate actions, in terms of student attendance.

- Legal Contract for School Board - Hightower
Mrs. Hightower initiated a discussion regarding the possibility of retaining separate counsel to represent the School Board while Mrs. Waters remained on leave of absence. Currently, the Superintendent’s counsel, Mr. Joseph L. Hammons, was also providing counsel for the School Board; however, should a conflict arise between the School Board and Superintendent, the School Board would need to obtain separate counsel for the School Board for that matter. Mrs. Hightower was to provide an update on legal services at the August Special Workshop.

- Strategic Plan Discussion – Superintendent
Mr. Denny Wilson, Director-Continuous Improvement & School Choice, outlined the proposed process for review, preparation and submission of the School District’s strategic plan for 2020-2021. In short, the proposal was essentially to move forward the 2019-2020 Strategic Plan for 2020-2021. The School Board
would be asked to consider approval of the 2020-2021 Strategic Plan at the September 15, 2020 Regular Meeting.

2020-2021 School Re-opening Plan – Superintendent
Addressed under Section III, Comments from the Superintendent

III. COMMENTS FROM THE SUPERINTENDENT

Permission to Advertise the Proposed 2020-2021 Tentative Millage and Tentative Budget (Item V.b.2.C.7)

Mr. Terry St. Cyr, Assistant Superintendent-Finance & Business Services, prefaced this presentation with a brief overview of the latest budget information. Ms. Theresa McCants, Director-Budgeting, reviewed the three-part advertisement that the School Board was being asked to approve concerning the proposed 2020-2021 tentative millage and tentative budget. Ms. McCants reviewed each part of the advertisement, which if approved by the School Board, would be published in the Pensacola News Journal:

- Notice of Proposed Tax Increase
- Budget Summary
- Notice of Tax for School Capital Outlay

There was much discussion concerning the Superintendent’s recommendation that the School Board levy 1.3510 mills for Local Capital Improvement (Capital Outlay). Given the School Board would have to advertise a tax increase anyway, Mrs. Hightower initiated discussion regarding the possibility of levying the full 1.5 mills for Local Capital Improvement (Capital Outlay).

DISCUSSION ON APPOINTED SUPERINTENDENT (moved forward as time certain)

School Board Members discussed the following topics with Florida School Board’s Association (FSBA) Superintendent Search Team [John Reichert and Dr. Bill Vogel (both present via speakerphone)]:

- Discussion/acceptance of the candidates that come forward from the Citizens Advisory Committee
- Discussion regarding the identification of semi-finalists
- Discussion regarding questions & format for semi-finalists response to questions and date that responses are due from the semi-finalists.
- Finalize school/community tour routes
- Discuss options for a community meet and greet
- Finalist Question Protocol

COMMENTS FROM THE SUPERINTENDENT (Continued from Section III)

2020-2021 School Re-opening Plan – Superintendent

See also: Item V.b.1.L.1., Escambia County School District 2020-2021 Innovative Reopening Plan

Dr. John Lanza, Director of the Florida Department of Health in Escambia County, was invited to address the School District’s plan to reopen schools*. The Superintendent asked Dr. Lanza to speak to the most contentious aspect of that plan: delay school and mandatory masks. The school district has previously announced that social distancing and mandating the wearing of masks, two key safety measures, would be logistically impractical. Additionally, some people in the community would like to see the start of school to be delayed in order to better assess COVID trends in the state. Dr. Lanza addressed the matter of when to resume schools, telling the School Board that any delay would not “make any difference” as he did not believe much would change between now and the time that a vaccine came out. Regarding masks, Dr. Lanza said that the wearing of the face coverings would help prevent the spread of the coronavirus. He noted that the state surgeon general advised that people wear masks, calling them “useful” and “effective.”

*In addition to offering two remote-based options, the School District is offering a full week, on-campus return to school. This is in line with an order from the Florida Department of Education.

The Regular Workshop recessed at 11:37 a.m. and reconvened at 11:46 a.m., with all School Board Members (Mr. Fetsko present via speakerphone) and the Superintendent present. Also present: Mr. Joseph L. Hammons, Esquire – Hammons Law Firm. At this time, the School Board continued discussions with the Superintendent and his staff regarding Item V.b.2.C.7, Permission to Advertise the Proposed 2020-2021 Tentative Millage and Tentative
Budget and also the 2020-2021 School Re-opening Plan (outlined in Item V.b.1.L.1., Escambia County School District 2020-2021 Innovative Reopening Plan).
