The Superintendent introduced Dr. Kimberly Thomas as the new Coordinator-Employee Services (effective July 1, 2020 - pending approval by the School Board at the June 16, 2020 Regular Meeting – see: Item V.b.3.A.1, Appointments).

The Superintendent recognized Betco Corporation and Pro Clean Restoration & Cleaning for their substantial contributions to help with the School District’s upcoming high school graduation ceremonies.

II. DISCUSSION
What does the new High School Civics requirement mean to graduation requirements for our students? - Slayton
Ms. Cherie Arnette, Social Studies Specialist, clarified there was no additional high school Civics requirement at this point, given that House Bill 581 and Senate Bill 918 did not pass during the last legislative session. Ms. Arnette said she would continue to monitor legislation given that similar civic literacy initiatives were likely to surface in the future.

- Covid-19 Budget Impact - Adams

Mr. Adams referenced a June 11 headline from FitchRatings.com entitled “Fitch Rates Escambia County School District, FL’s $40 MM COPS ‘AA-’; Outlook Revised to Negative.” His concern was that Fitch Ratings had downgraded the School District’s credit rating because of the COVID-19 pandemic. Mr. Terry St. Cyr, Assistant Superintendent for Finance & Business Services, clarified that Fitch Ratings had not downgraded the School District’s credit rating. In fact, Fitch Ratings had assigned a ‘AA-‘ rating to the School District’s $40 million certificates of participation (COPS), series 2020A, had affirmed a ‘AA-‘ rating to the School District’s $9.2 million refunding certificates of participation (COPS), series 2014, and had also affirmed a ‘AA‘ rating to the School District’s $38.4 million outstanding sales tax revenue bonds. As for the outlook being revised from stable to negative, Mr. St. Cyr noted that that was ‘out of our control’ and reflects the unknown extent of changes in future state and federal aid to the School District; given shutdown measures related to the COVID-19 pandemic and the School District’s potential vulnerability if such revenue cuts are significant.

Charter School Quarterly Report – Ms. Kerri Coots, Director*-Alternative Education, reported no issues with any of the charter schools. There were no questions/concerns from School Board Members specific to information outlined in the quarterly report.

*Effective June 1, 2020 - pending approval by the School Board at the June 16, 2020 Regular Meeting – see: Item V.d.1.A, Administrative Appointments.
