- Quarantine Letter to Parents – Slayton
  It was noted that a local online media site had published a “quarantine” letter issued by Ransom Middle School on August 27, 2020, which read as follows: Someone from your student’s classroom has reported testing positive for COVID-19. The Center for Disease Prevention and Control recommends that people who have been exposed to someone who has tested positive for COVID-19 quarantine for 14 days after possible exposure. The last exposure was 8/27/20. Therefore, your student will need to go home today and not return until 9/14/20. (Administrators will be contacting you to discuss remote options.) We encourage your student to quarantine from others and self-monitor for any symptoms during this time. If you have health-related questions, please contact your healthcare provider or the Florida Department of Health in Escambia County at 850-595-6500. The Superintendent and Ms. Vicki Gibowski, Director-Middle School Education confirmed there was a mistake in that particular letter with regard to the dates of
quarantine (return date should have been 9/11/20). Parents/guardians were notified of the error on the evening the letter was issued and were informed of the correct return date. Ms. Martha Hanna, Coordinator-Health Services will now provide schools the specific dates to include in their “quarantine” letters. Because the letter was published on a local online media site, it received the attention of many readers and resulted in unnecessary confusion given that the situation had already been rectified.

At this time, there was discussion about the possibility of creating an online dashboard, similar to that of St. John’s County School District, to keep parents and staff informed of confirmed COVID-19 cases.

- Marketing Services Update – Superintendent
  Representatives from idgroup addressed the “scope of work” associated with an agreement for marketing services, approved by the School Board at the August 18, 2020 Regular Meeting: Item V.b.2.E.12., **Professional Services Agreement: Marketing Services** (Initial agreement with idgroup was approved at the February 18, 2020 Regular Meeting: Item V.b.2.E.23., **Professional Services Agreement: Marketing Services**). To ensure that School Board Members remained aware of the process, Mr. Shawn Dennis, Assistant Superintendent-Operations, was asked to provide monthly updates to the School Board.
